Benefit Exclusions:

Orthodontia

- * Services performed primarily for cosmetic reasons
- * Replacement of a lost or stolen appliance
- * Replacement of a bridge or denture within five years following the date of its original installation
- * Replacement of a bridge or denture which can be made useable according to accepted dental standards
- * Procedures, appliances or restorations, other than full dentures, whose main purpose is to change vertical dimension, diagnose or treat conditions of TMJ, stabilize periodontally involved teeth, or restore occlusion
- * Veneers of porcelain or acrylic materials on crowns or pontics on or replacing the upper and lower first, second and third molars
- * Bite registrations; precision or semi-precision attachments; splinting
- * Instruction for plaque control, oral hygiene and diet
- * Dental services that do not meet common dental standards
- Services that are deemed to be medical services
- * Services and supplies received from a hospital
- Charges which the person is not legally required to pay
- * Charges made by a hospital which performs services for the U.S. Government if the charges are directly related to a condition connected to a military service
- * Experimental or investigational procedures and treatments
- Any injury resulting from, or in the course of, any employment for wage or profit
- * Any sickness covered under any workers' compensation or similar law
- * Charges in excess of the reasonable and customary allowances
- * To the extent that payment is unlawful where the person resides when the expenses are incurred;
- * Procedures performed by a Dentist who is a member of the covered person's family (covered person's family is limited to a spouse, siblings, parents, children, grandparents, and the spouse's siblings and parents);
- * For charges which would not have been made if the person had no insurance; For charges for unnecessary care, treatment or surgery;
- * To the extent that you or any of your Dependents is in any way paid or entitled to payment for those expenses by or through a public program, other than Medicaid;
- * To the extent that benefits are paid or payable for those expenses under the mandatory part of any auto insurance policy written to comply with a "no-fault" insurance law or an uninsured motorist insurance law. Cigna HealthCare will take into account any adjustment option chosen under such part by you or any one of your Dependents.
- * In addition, these benefits will be reduced so that the total payment will not be more than 100% of the charge made for the Dental Service if benefits are provided for that service under this plan and any medical expense plan or prepaid treatment program sponsored or made available by your Employer

** In Texas, the insured dental product offered by CGLIC and CHLIC is referred to as the Cigna Dental Choice Plan, and this plan utilizes the national Cigna Dental PPO network.

***Charges are based upon an independent third party organization that is the industry standard. Percentile data is based upon the third party organization's aggregated industry-wide claims data

This benefit summary highlights some of the benefits available under the proposed plan. A complete description regarding the terms of coverage, exclusions and limitations, including legislated benefits, will be provided in your insurance certificate or plan description.

Benefits are insured and/or administered by Cigna HealthCare.

Did you know that most of Cigna's dental plans include the Cigna Dental Oral Health Integration Program? This program was designed to address research that supports the association of oral health to overall health and provides reimbursement of copays or coinsurance for customers with qualifying medical conditions for program eligible procedures. Additionally, registered program members can access articles on behavioral conditions that impact oral health.
